

Tourist Information in Prague Centre

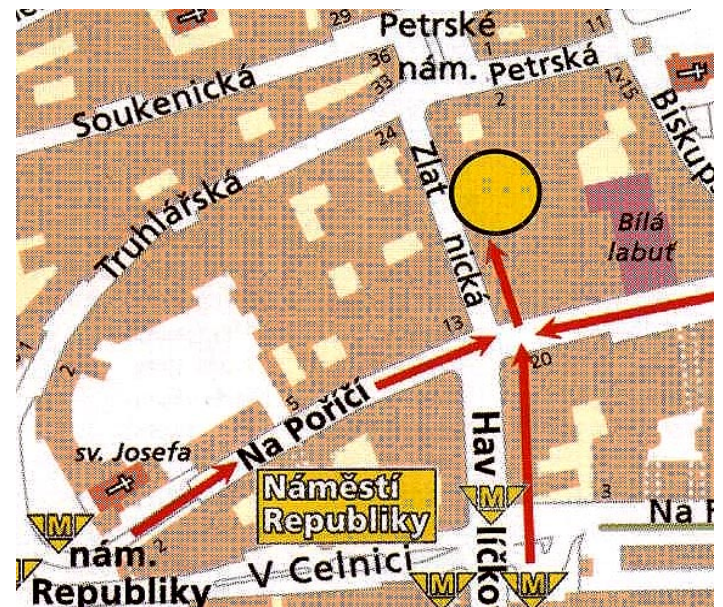

Our tourist information can be found in Prague centre (See map below) where our staff is waiting to help you.

Besides being able to answer general questions we can help you to arrange the following: Bookings of tours, restaurant visits, transfers, tickets to concerts and other cultural events. We exchange money for a good exchange rate.

The staff at the tourist information has local knowledge and speaks your language or can quickly find someone who does. The tourist information is open weekdays 09:30 to 17:30 and Saturdays 09:30 to 13:30. This is where to go if you need advice or information while you are in Prague. You can ask about anything and it does not have anything to do with the services we offer. If you have encountered a problem and can not communicate with for example the police or other public authorities you are welcome to come to us for help.

While you're waiting to get to speak with one of our staff at the tourist information (they can sometimes be very popular), you are welcome to enjoy a drink, coffee or tea.
